DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse of Species A, figures 1-5, claims 1-and 4 in the reply filed on 10/02/2008 is acknowledged. The traversal is on the ground(s) that the U.S. National Phase of PCT/JP2004/015181 submitted under 35 U.S.C. §371. Unity of invention is therefore applicable. This is not found persuasive because PCT (lack of unity of invention) and US Species Restriction Requirement are different. The Species in this US Application have acquired a separate status in the art due to their recognized divergent subject matter.

The requirement is still deemed proper and is therefore made FINAL.

Drawings

2. Drawings filed on 12/07/2006 should be labeled "Replacement Sheets".

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: claims 1-4, and 8-10 are allowed.

Prior art of record fail to disclose the coils are formed as a plurality of pairs of coils, each pair of coils respectively conduct an electric current to commutator segments adjoining at both sides in the circumferential direction with reference to an arbitrary commutator segment, the pair of coils facing opposite poles positioned different from each other, one coil of the pair of coils being wound in a normal winding state, and the other coil of the pair of coils, in a reverse winding state.

Art Unit: 2834

Regarding withdrawn claims 2-3,8-10 are rejoined with respect to independent claim 1 and allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. This application is in condition for allowance except for the following formal matters:

non-elected claims 5-7,11-24 should be canceled.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
